TRAILER DETAIL PLAN

SUGGESTED WAYFINDING LOCATIONS

Note: suggest updating trailer per page 8.

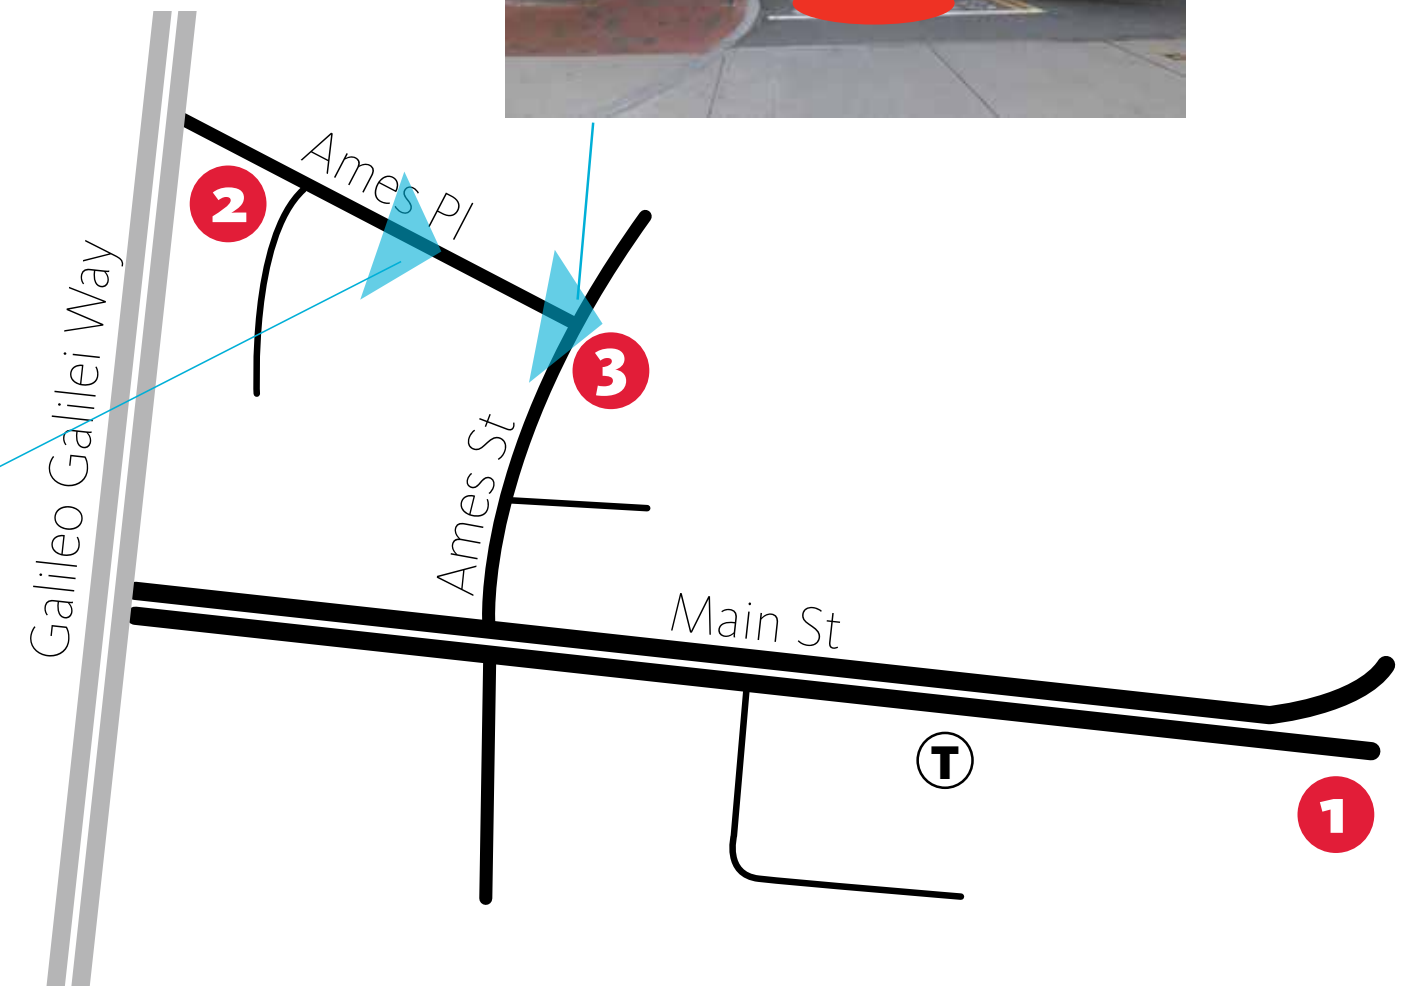

SIGN TYPE A: STREET MARKING

Temporary dots placed on ground to lead people down Ames Place, as well as help with the pedestrian pathway, which can be confusing due to the parking garage.

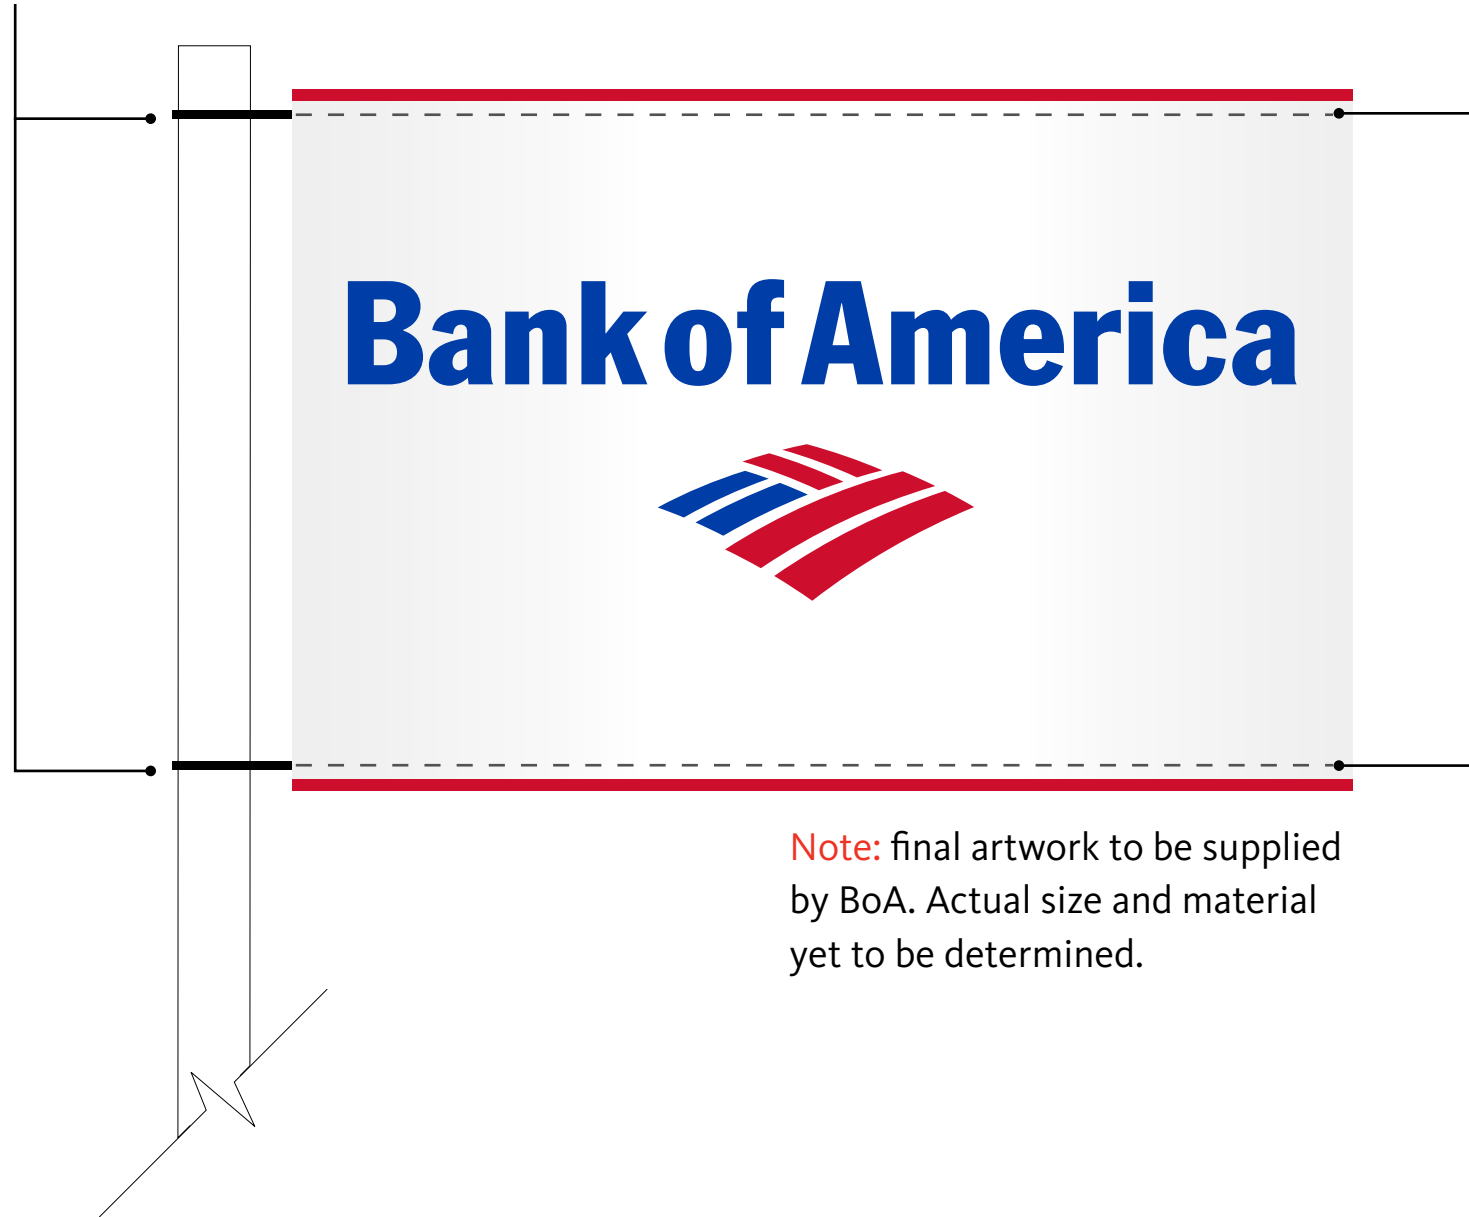

1 SIGN TYPE A: STREET MARKING
SCALE: 1" = 1'

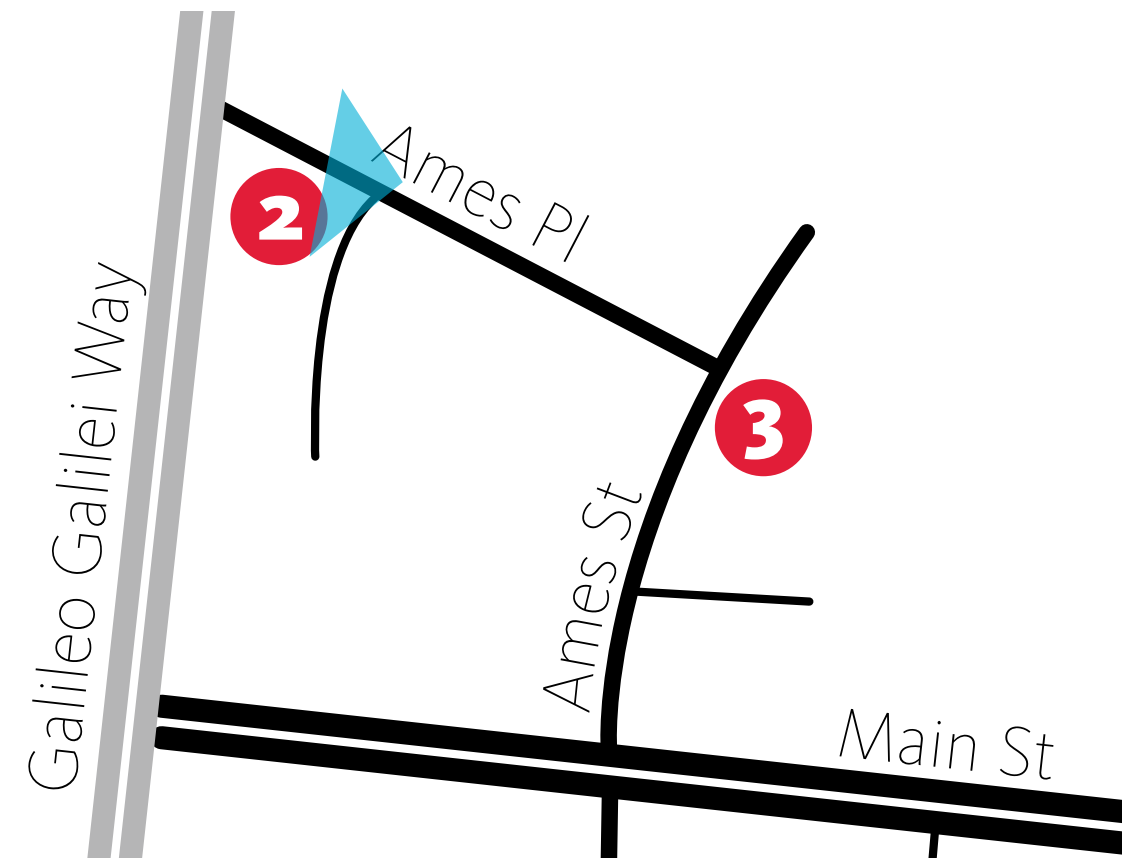

SIGN TYPE B: FLAG

Affixed to existing light poles to lead people down Ames Place and anchor the trailer.

Clamps installed onto existing lamp posts

Note: final artwork to be supplied by BoA. Actual size and material yet to be determined.

4 SIGN TYPE B: FLAG
SCALE: 3/4" = 1'

TRAILER UPDATE

Since this will be in place for a couple of months, update the colors and finishes and add skirting below the ramp and stairs.
