Kathleen Born, Chair  
Cambridge Redevelopment Authority  
255 Main Street  
Cambridge, MA 02142

Dear Ms. Born and the members of the CRA Board,

Thank you the generous support from the Forward Fund for \$25,000 towards the lift at The Dance Complex. This funding supports the completion of our lift project, making our historic building more accessible and ADA compliant. Support from funders like you ensures that The Dance Complex remains a central hub of dance, locally, regionally and nationally.

Our building is a home for professionals and recreational dancers, ranging in age from young children to senior adults. Your support ensures that we will continue to make the study, creation, and performance of dance accessible all people. Your generosity will help us to create an environment for each person to take their next deep step in dance and in life.

We know you are an ambassador of all we do. If you breathe, you move. If you move, you dance. And if you dance, you have a home here at The Dance Complex.

Sincerely,

Peter DiMuro  
Executive Artistic Director
