

CRA Artwork Transfer

Date: 4/xx/2017

Title: *Octahedron (Definition: a three-dimensional shape having eight plane faces, especially a regular solid figure with eight equal triangular faces)*

Artist: Karl Schlamminger

Original Location: Cambridge Center Plaza, north side of Main Street, nearby Kendall Square Red Line MBTA station and Marriott hotel entrance

Current Location: CRA Parcel 7, near corner of Binney Street, Galileo Way and Fulkerson Street

Creation Date: 1985

Removal Date: 2012

Materials: Unknown synthetic composite with real gold leaf on the exterior, supporting structure is a steel tube

Dimensions: 160" wide along widest dimension at the center on each side and 240" high including the metal pole

The Cambridge Redevelopment Authority (CRA) absolves all claims of ownership and hereby transfers ownership in full of the Octahedron to the public art collection of Pontiac, IL. The artist has approved this transfer and has relinquished any claims to its future use, transfer, display, or destruction. Out of respect for the artist, the CRA requests that the future display of the artwork gives credit in some manner to the artist for his original creation, and acknowledges the Cambridge Redevelopment Authority as the donor.

The CRA is delighted to find a new home for the Octahedron in a fellow community that values public art. We hope it enhances economic development and provides your community with years of enjoyment by visitors and citizens alike. Attached for your historic records are some photos of how the Octahedron was originally displayed.
