Re: CRA Approval of *Temporary Proto Residential 88 Ames Street Ground Floor Signage*

The proposal for the *Temporary Proto Residential 88 Ames Street Signage* falls under Section 5.2 – CRA Board Review of Preliminary Signage Designs of the MXD District Signage Review and Approval Process and Guidelines. Boston Properties requested approval of a temporary signage package to remain in place until the end of 2018 in an effort to assist in fully leasing the housing units in the building as quickly as possible.

At the 7/18/2018 CRA Board meeting, the Board voted to approve the following motion:

Approving the temporary leasing signage proposal for 88 Ames Street at the street level only for a term no longer than 6 months.

Only the ground floor portion of the presented signage package was approved by the Board. Concept 1B Column Wraps (quantity of 10) may be installed through 1/31/2019. The column wraps must be removed thereafter unless additional time is approved by the CRA Board with an update on leasing progress. Additional temporary signage options at the ground level in Kendall Center, including the Plaza, may be reviewed separately by CRA staff.

Please feel free to contact Project Manager Jason Zogg should you have any questions at (617) 492-6800x12 or at jzogg@cambridgeredevelopment.org.

Sincerely,

Thomas L. Evans
