Carlos Peralta, Project Manager
Cambridge Redevelopment Authority
255 Main Street, 8th Floor
Cambridge, MA 02142

Dear Mr. Peralta:

On behalf of the board and staff of CommonWealth Kitchen, I want to thank the Cambridge Redevelopment Authority for the generous \$18,000 grant to help fund the start up of our restaurant incubator in Kendall Square. As a one-of-a-kind social enterprise, we're continually innovating and evolving on our quest to create an equitable, sustainable and inclusive food economy that is truly accessible to all.

Your support comes at a pivotal moment. We've forged new partnerships with multiple large anchor institutions that will catapult our work onto the national stage and have a dramatic impact on all of our stakeholders, including incubator members, farmers, consumers, staff and community partners.

We are enormously grateful for your confidence in our work.

Sincerely,

Jen Faigel
Executive Director
