**In response to the current COVID-19 State of Emergency, on March 12, 2020, Governor Baker issued an Order suspending certain provisions of the Open Meeting Law. The Order, available here: <https://www.mass.gov/doc/open-meeting-law-order-march-12-2020/download>, allows government bodies subject to the law to meet using remote participation, without presence of members of the general public, or the chair or a quorum of the public body in a physical location at a specified meeting location. Further if the public body is obligated under the law to provide for active, real-time public participation in the meeting, an alternative means of public access must provide for such participation.
