## 99 Bishop Allen Drive Renovation Project

CAMBRIDGE  
REDEVELOPMENT  
AUTHORITY

99 Bishop Allen Drive is a multi-tenanted  
nonprofit office space. The building has been  
home to a range of vital nonprofit programs  
since 1988. The Cambridge Redevelopment  
Authority (CRA) recently purchased the  
building and is conducting major renovations  
in order to support nonprofit tenants and their  
programs, today and into the future. The project  
will include improved accessibility, upgraded  
electrical and HVAC systems, historic

preservation, energy efficiency improvements,  
stormwater drainage upgrades, and more  
efficient use of space. All of the nonprofit organizations who were  
located in the building will continue to offer  
services throughout the renovation time frame,  
and can be reached by their phone or email  
address.
